AND CONSTANTLY INCREASING. The Charter of this Company offers more favorable advantages to the farmer and others, than any Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium in each, or by effecting a cash insurance for two years, the insured saves one-eighth of the amount he would otherwise have to pay; or by becoming a member, and giving a small premium note, the insured saves nearly one-half of the amount charged year. This is the advantage resulting from the

combination of the CASH AND MUTUAL PRINCIPLE. This Company commenced issuing Policies igainst loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become members of the Company, and over seventy thousand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospeets of future usefulness. The Directors hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. States. All differences in settlement of losses, may be determined by three disinterested arbitrators of the County where such loss happened, to be mutually

chosen by the insured and the Company. DIRECTORS: James T. Close. Thomas T. Hill, T. B. Robertson. Dr. R. H. Stabler, R. H. Carter, Wm. Wright, R. F. Lester. Ben. F. Nalle, George E. French, Wm. C. Knight.
